

New Cross Hospital

Client: The Royal Wolverhampton Hospital NHS Trust

Role: Quantity Surveyors, Project Managers, CDM Co-ordinators

The Royal Wolverhampton Hospitals 
NHS Trust

Description:

Wakemans were employed as Quantity Surveyors and Project Managers on a range of projects for The Royal Wolverhampton NHS Trust these included:

- New Cross Hospital, Wolverhampton. Relocation of Eye Infirmary. Employed as Quantity Surveyors. £3.2m.
- New Cross Hospital, Wolverhampton. Construction and commissioning of a Modular Twin Ophthalmic operating Theatre facility. £1m.
- New Cross Hospital, Wolverhampton. Alterations to the 3rd floor Maternity Unit to provide new wards, bedroom accommodation and staff facilities. Work will also be carried out in the basement, to provide alternative accommodation for staff facilities currently located on the 3rd floor. £200k.
- Construction of a single storey framed building for a 12-station Dialysis suite with ancillary offices and accommodation. It is anticipated that at a later date the unit will be expanded to 16 stations and the structure and services must be designed in such a way as to facilitate this expansion. £800k.
